

**It's never  
too late to  
learn and it's  
easier than  
you think!**

"I feel so embarrassed because of my poor writing and spelling. I left school early and would love to finish my education."

**Caller, Coolangatta, QLD**

"I'm desperate for a job. I got put off my last one at a tile warehouse because I couldn't write out the customer orders. Can you tell me where I can get some help?"

**Caller, Bunbury, WA**

"I struggled with maths at school but now I need it more and more. I don't want to make excuses anymore."

**Caller, Fremantle, WA**

"I promised myself I'd do something about my writing and spelling before i turn 70. I'm 70 tomorrow and I'd just love to be able to write letters to my children and grandchildren."

**Caller, Wagga Wagga, NSW**
